THE LITTLE TOWN WITH A BIG HEART

March 2025

Happy
St. Patrick
Day

Town Talk

There are a few celebrations to look forward to this month. There is Daylight Savings time beginning Sunday, March 9th, St. Patrick's Day on Monday, March 17th and the first day of spring is Thursday, March 20th.

It seems that spring is coming up fast, but don't forget that March is the snowiest month in Colorado. In fact, we had around 24" of snow in March of 2024, so be prepared!

For daylight savings, remember to 'spring forward' and turn your clocks ahead 1 hour.

St. Patrick's Day can be a fun time to celebrate. Be sure to celebrate safely! Here is a bit of history regarding St. Patrick's Day:

St. Patrick's Day is celebrated on March 17, commemorating St. Patrick, the patron saint of Ireland. The celebration began in 1631 when the Church established a Feast Day in his honor, marking the day of his death in the fifth century. Originally, it was a religious observance in Ireland, featuring services and feasts. Over time, especially with the influence of Irish immigrants in the United States, it evolved into a broader celebration of Irish culture, characterized by parades, music, dancing, and the color green. Today, it symbolizes not just the saint but also the rich heritage of the Irish people.

ON A WATER NOTE . . .

This month, Rockvale's water billing system software will be getting an upgrade. Currently we are scheduled to start using the software mid-March. The upgraded software should have many new features that include email billing and payment if that is your preference. **PLEASE BE SURE TO UPDATE YOUR PHONE NUMBER AND EMAIL ADDRESS** at the Town Hall office. We'll have some forms at town hall provided for this information.

As with any new software, there will be a learning curve for our administration and we do ask for your patience as we sort through all the new functions! **Thank you in advance!**
